## **SECURITY AND GENERAL MAINTENANCE**

Last Friday, San Javier Council staff was making the weekly collection of the special bins for dogs.

Last Friday, The Security staff detected that someone had burst the lock and broken the handle of one of the electric meters cupboard in phase 3. Similar incident was detected in phase 1 with the lock of a water meter. **May we remind you that SECURITY has a copy of all the electric and water meter cupboards and you just have to request their opening whenever you require it. Please, be considerate and avoid this type of actions which have a negative effect in the Community elements.**

Last Sunday, The weather conditions affected the security cameras and the barriers to access the resort which had to be operated manually until VIGILANT repaired them the following day.

Last Sunday, There was a failure of the public lighting in phase 3. This was reported to SICE which solved the problem that same day.

Last Monday, SICE made revision of the public lighting in phase 2.

Last Wednesday SICE, Public lighting company made repair of a problem in phase 3.

Last Sunday, as a consequence of the strong wind and heavy rain, part of the perimeter Security fence by the golf course fell down. This was immediately reported to the maintenance company to evaluate the extent of the damage and the reconstruction of the fence is already being managed. Since the incidence was detected, VIGILANT has been carrying out a special surveillance of the area.

Last Wednesday, an owner in phase 4 reported that someone had disposed of two hammocks by the underground containers. **we would appreciate that any time you need to dispose of Goods and Chattels, you previously contact the service of Household goods collection of San Javier Council which will indicate the day when the goods can be placed by the containers. Thank you for your cooperation.**

## PHRASE OF THE WEEK

It is easy to remember  
for the one who has memory.

It is difficult to forget  
For the one who has heart.
