SECURITY AND GENERAL MAINTENANCE

This week, Security has reported several manipulations of light switches in garages of different phases of the Resort to have the lights on permanently. **Please be considerate to your neighbours and make a responsible use of the common elements. If you witness any manipulation, please do not hesitate to denounce it to Security or Resortalia. Thank you. Gracias.**

Last Saturday, SECURITY detected that there was a failure in one of their Cameras and reported it to Technical Service. VIGILANT technicians attended and repaired the camera that same morning.

Last Wednesday, SECURITY detected a ceded flight of sidewalk in phase 5. The area was signaled this was reported to the maintenance company which will undertake the repair next week.

Last Thursday morning, there was a breakdown in the water supply net in phase 2 which requested a temporal cut of water supply in the area to undertake the repairs. The problem was solved and water supply restored that same morning.
